

---

# • HOW IT WORKS •

---

*Simple as*

*1...*

*2...*

*3!*

---

*Step 1:* We'll provision and customize a unique phone number for your practice. Once your office closes for the day, simply transfer your phones to us.

---

*Step 2:* Rest easy as our nurses answer, triage and document your patient calls.

---

*Step 3:* The next day, log in to access your patient encounters.

---
